2. The weather forecaster said the temperature will go down to minus ten degrees.
3. The temperature will go down to thirty degrees tomorrow!
4. I don't have my phone, so I can't see the weather forecast!

# Grammar

**4** Look at the table.

| Future Predictions with *be going to* | Spontaneous Decisions with *will* |
|---|---|
| We can use *be* + *going to* + verb to talk about things we think will happen in the future. | We can use *will* + verb to talk about spontaneous decisions (ones we have just made) for future actions. |
| It's *going to* rain tonight. | I *will* take the bus home. |
| My team *is going to* win the soccer match! | We *will* have pizza to celebrate. |

Aim: Understand a weather forecast

**5** Use *be* + *going to* or *will* + verb to talk about the future.

1. the weather / change / tomorrow
2. it / snow / tonight
3. the / temperature / go up / soon
4. it / rain / in a minute
