① Adverbs of frequency

What are they used for?

Adverbs of frequency are used to express how often an action happens

Grammar

Subject + adverb of frequency + verb + complement

With the verb to be, the adverb comes after the verb

Adverb	Meaning
Always	100% of the time
Usually	Most of the time
Often	Many times
Sometimes	Occasionally
Never	0% of the time

5 Examples

1. I always eat breakfast
2. She usually plays soccer
3. We often listen to music
4. He sometimes watches TV
5. They never drink coffee
